Your Astro Snapshot

- » Jupiter will reveal your spiritual growth is likely to be; there shall get reflected by Jupiter. Jupiter will uncover your creative activity towards your spiritual growth in life whether you will have the liking to carry worshipping any deity or not how your previous birth's karma will be helpful to you in this birth. Whether you will enjoy any unexpected growth and gains in your life will get disclosed by Jupiter. Jupiter is the controller of your fortune. How and what will be your approach towards various spiritual power and other out of the world forces shall get indicated by Jupiter, how your father shall be doing in his life about honour, prestige and money. Whether you shall be inheriting wealth and property in your life will get reflected by Jupiter. God's blessing and grace on you shall also get revealed by Jupiter. Jupiter will come out with your abilities to learn higher-level stuff, which may be from a subject to any particular situation. Jupiter will reveal the fruit of success for you. If at all you are interested, Jupiter will disclose whether you will be able to get in touch with Soul and will be able to interact with them. Whether you will be able to go in regression and understand how you should change the course of your life, keeping in view the past birth and experience. Whether you shall be ready to go for a journey related to your spiritual goals, or for your professional purposes shall get revealed by Jupiter.
- » Mars is vital from the angel that it will show the promise to have children and what kind of relationship you will have with them. How will be your creativity in life? Mars shall reflect your general and higher intelligence and your capacity to think any original idea to translate into reality. Whether you will have the right judgement or wrong judgement will also be reflected by Mars. Mars will indicate which deity should be worshipped by you. Mars will also reveal in you the capacity to grasp things, events, talks of people and critically understand them or don't bother about essential matters. How right you are going to be about learning and re-iterating things what you learnt any time. Mars will be the critical factor to ensure that how shall be your clarity in understanding anything you take up. Your sharpness to understand the complicated things faster. So-called, Mars will control your relations with your beloved, which is other than your spouse.
- » When you develop liking for something or someone, you become incredibly attentive towards them, leaving your other essential things behind to support them from all angels and unconditionally. Your this trait shall get reflected as a highly negative trait by people around you.
- » You feel very sad and depressive when you know the reality about a person who did backbiting and deceived you,

and then you wish to cut off your relations with them forever.

- » Your frequent mood swings at times can create difficulties and setbacks in your professional and personal life. So you are advised to ensure that you take some time before reacting to something.
- » You may have frequent imagination about your current work, and you keep adding new scope and new variations in your everyday work which may make it delayed and you are likely to miss the deadline of the work. So it becomes vital that you must try and complete your work in hand.
- » You will get much focussed on small and minute things in your newly owned house and may get things changed more than one time as per your own choice leading to excess expenditures beyond your budgets.
- » You shall enjoy money and wealth like sea tides which is sometimes will have in abundance and on some other period will be lower. Though in later part you shall enjoy more fame, recognition, wealth and luxuries.
- » You should try to keep reserves of funds for you rainy days as the possibility of facing the difficult days in between may be experienced by you.
- » Your habit of giving charity suddenly to anyone, be it an individual or a group of an NGO etc., you should be careful about choosing the donee as you may end up making payment to the dishonest person, scrupulous organisation and cunning individuals.
- » At times you may lose your focus in managing your funds, though you are always sensitive and honest in dealing with money or funds of others in your case, you can be little careless.
- » Sometimes you become a little more emotional in your profession, which can turn things in negative mode leading to loss of money, power and fame. So you need to be as ruthless as much as you can in your business and professional life to make money and establish yourself.
- » You are likely to be more active and focussed during nights in your work intensely and thoughtfully as noises during the day distracts you and takes away your higher concentration.
- » At times, you think a little more about things which are complex, challenging and yet to be achieved by you. Thinking and believing a little too much optimistic about such things may lead to dissatisfaction and depressive moods. You are advised to keep away from such a thought process.
- » You are in the habit of thinking and continuously working to achieve the next two levels, once you have obtained a certain level. At times this can be a little more excessive to get into depressive moods.
- » Very likely, after crossing 36, your waistline may increase, leading to obesity, need be careful always. Also, your mental maturity will increase after this age, but for the obese part you need be careful.
- » You are likely to turn grey hairs a little early in your life, and on the other side, you will not have wrinkles on your face till a good old age, looking a bit younger by face always, so this combination will give you a unique look
- » Your star shows that you may be in the habit of consuming more water, be it for bathing, drinking, plantation, usage in the fountain and so on. However, keeping in view the scarcity of water in coming time, you need to be careful in excessive use of water.
- » Your star reveals that your spouse is likely to be opposite to you a bit, be it towards things, perception, liking, way of treating people, attending events, going outside, attitude towards something, temper, liking for food, choice of places to be visited, deciding on giving gifts to anyone and so on. Please note that this may happen for a lifetime. You need

not get perturbed on these small issues. You may feel unbearable psychological compatibility and lesser harmony in life with your spouse. Still, life has to go on, and your intellect must play a vital role in managing the relationship with your spouse. You should try to be more flexible and deal in humorous mode to handle your spouse in all such situations. This will ensure a better marital bliss in your life.

- » You are likely to experience much more changes in your personal and professional life than your co-borns, friends and relatives, also experiencing higher and lower in your finance and other matters.
- » You are very likely to be fond of changing things faster and prefer to use new stuff in your day to day affairs even be its new kind of toiletries, fresh perfumes, visiting new markets and places, like to use new clothes and so on. A luxurious and comfortable lifestyle will come to you gradually and automatically as you age, though you carry the grand modesty in your living standards depending on situations.
- » Gradually, you develop your concept, ideology and conditions of living life in your ways and style, and you may not like to change it until something is greatly making the difference.
- » You may have many friends, but few shall be close to you, and you will only disclose the deep of you with them. Also whenever you find an element of selfishness in your friends, you try not to continue, with them and finally end up with them.
- » You will have sharper skills to understand situations, problems and critical issues much faster on any subject in a deep sense. You can also be a good mediator having excellent skills to explain and influence both parties to come closer and resolve issues.
- » You are likely to be blessed with brilliance in understanding, assessing and finding solutions to any problem in your professional and personal life.
- » No one can control and suppress you to get work done as per their choice, and it is only possible when someone deals with humility and convincing manner of talking to you to get the job done.
- » You would always like to be at your liberty to live life, be it related to travelling, helping people, supporting society, doing social work, following any religious setup, working at a place, studying at your will and so on.
- » You are likely to have exceptional abilities of negotiation skills and acting as a catalyst to bring the parties together more, especially in some critical things. However, you may not be good at negotiating for your work.
- » You will withstand any mental or intellectual rifts or discussions very efficiently, logically and in a competent manner leading to a win-win situation for yourself and your organisation.
- » Doing liaison work in any area will give you satisfaction, comfort and success at any level earning substantial fame, money and growth in life.
- » You are likely to live comfortably as you grow older, though some difference of opinion with children, siblings and relatives may happen due to small reasons and your children also may leave away from you.
- » You have the exceptional knack to understand the minutest spiritual and divine aspects with little efforts and then if you wish you may have further progress.
- » When you get neglected in your profession despite your deep involvement, you feel bad and take reprisal at an appropriate time to set people right and teach them a lesson.
- » Despite all difficulties, hardships and blows in life, your zeal of living life is intense to survive through all problems

and difficult conditions and come out clean and successfully even in adverse circumstances.

- » You will prefer to continue to be hooked to your grassroots levels, and despite achieving the more significant position in life. You shall always remember the starting point of your journey to success.
- » You will become more pragmatic, steady and systematic in your approach to handle and execute things after a slight matured age. In fact, the more you become elder more sophisticate you will become in managing people in your professional and personal life.
